The applicant will have such training and skills as may be required to successfully carry out the requirements of the job.

An applicant who has experience or training will be compensated above the starting salary. This training and experience is to be evaluated by the business manager and given only with the recommendation of the business manager and approval of the superintendent.

In no instance may an applicant be selected who is of the same family or living in the same household as the supervisor.

All candidates recommended for employment will be asked to submit to a criminal background check, to be completed by the South Dakota Division of Criminal Investigation (DCI) and Federal Bureau of Investigation (FBI). Completion of this background check will require candidates to submit a set of fingerprints to the school district, in a format satisfactory to the DCI and FBI. No candidate shall be recommended for employment or begin working in the school district without the completion and favorable review of a criminal background check.
